

# Förändrade belåningsvärden svenska aktier

Höjda belåningsvärden träder i kraft den 11 november och sänkta belåningsvärden träder i kraft den 11 december. För de aktier vars belåningsvärden sänks med mer än 10 %-enheter sker detta stegvis. Den 11 december sänks belåningsvärdet med 10 %-enheter och därefter med 10 %-enheter den 11:e varje månad fram till den nivå som anges nedan.
